Children's Centres

Our play inspiration this week:
'A creature you might find
on a woodland walk'

Hop Little Bunnies

Click on the picture
to take you to the
story.

How could you bring
the story alive?

Try hopping up and
down like a bunny!

Veggie fingers

You will need:
Broccoli
Carrots
(frozen veg
works will too)

Suitable from 6 months up

start 4 life

Click here to
see how to prepare

Activity Idea - Tiny Tots Sensory play - black and white

Black and white
sensory toys are ideal
for young babies. It is
generally thought that
babies do not see in
colour until around 5
months old. Try
introducing different
textured fabrics - soft
and furry like a rabbit.

Did you know...

It is beneficial to your child to
provide opportunities for
sensory play.
Sensory exploration is their way
of examining, discovering,
sorting and making sense of the
world.

Activity Idea - Older Explorers Ball skills game

Feed the hungry rabbit!
All you need is a
cardboard box. Cut a hole
for the mouth and then
draw or paint on the
rabbits face. Use the
cardboard flaps to create
the ears.

Discovery time

Can you spot
where rabbits
live?
What do they like
to eat?
How do they
move?
