Activity Idea - Older Explorers Seaside pictures

Make a seaside collage on a tray using items collected from the beach. Use small figures to play with in your creation!

Did you know...

Singing nursery rhymes supports children's emerging listening skills and helps them to build their ability to pay attention. They develop an awareness of the sound patterns in language.

Activity Idea - Tiny Tots Musical sea sounds

Think about the sounds that you hear at the seaside: the rhythm of the surf and the crunch of the pebbles under your feet.

Make a seaside shaker by filling a plastic bottle with rice, add some blue and green glitter. What does it sound like?

Discovery time

What creatures live at the seaside?

Take a net and a bucket and find out who lives in the rock pools and in the sand.

Don't forget to put them back where you found them.

Always supervise your children near water.
