## Activity Idea - Tiny Tots Magic carpet and nursery rhymes

Make the most of Summer  
and spread out some  
blankets on the grass. Sing  
Nursery rhymes and teach  
your little one the actions.  
Watch YouTube videos if you  
need to learn some new  
rhymes!

Don't forget sun protection  
cream and a hat for your  
little one!

## Did you know...

Relationships are crucial.  
Loving, consistent, positive  
relationships help build  
healthy brains and protect  
your baby's brain from the  
negative effects of stress.

## Discovery time

Nursery rhymes and stories that  
rhyme are an important part of  
your child's language  
development.

Discover with your child short  
words that rhyme; you could use  
pictures to support this game or  
simply have fun finding words  
that sound the same as you go  
about your day together!
