Activity Idea - Older Explorers Treasure Hunt

Squirrels are really clever and can remember where they have buried their nuts!

People need to use a map to remember where we have hidden our treasure.

Why not draw a map that leads to some hidden treasure? I wonder what we'll find....

Activity Idea - Tiny Tots Where Has It Gone?

Tiny tots love this game and it's so simple to play. All you need are a few toys and a clean tea towel. Cover up a toy and say 'where has it gone?'. Your little one may reach out to pull away the towel, but if not, you can pull it away, exclaiming 'Here it is!'.

Discovery time

This is the time of year to pull on wellies and go out for a walk through the fallen leaves

Look at all the different types of trees and their bark.

Take paper and crayons to do some bark rubbing as an extra activity.
