Poisoning

Suspected poisoning is one the most common reasons young children are taken to A&E.

Blister packs are not child proof. Don't leave them lying around in bags or on the side.

Washing pods and capsules can badly hurt small children if they burst them or bite into them. Keep them locked away.

Support We Offer

We are here to help with a whole range of topics including:

Ideas around implementing routines and setting boundaries.

Help to understand your child's needs and build your confidence as a parent.

Help around finances, housing applications, debt support and accessing benefits.

Supporting you 'back to work'

Volunteering opportunities

We can help families access:

Baby Bundles

Healthy start vitamins

Advice on local childcare and applying for funding.

Introductions to other services

Facebook
