Potion Making

You can use any selection to create your own 'potion station'.
Encourage your child to use their imagination, mixing and exploring at their own pace.

Material ideas:

- Bowls/tubs/spoons/whisks/pipettes/tweezers
- Dried materials: pasta/rice/lentils/spagetti
- Natural resources: sticks/pinecones/leaves
- Wet resources: water/bubble bath/water with food colouring or paint mixed in.

Nature Wand Craft

Collect sticks from outside and decorate them with leaves, feathers, wool, ribbons, paint or glitter to make magic wands - you could even stick a cut out star on top!

Movement Game

Call out characters and encourage your child to do the actions:

Cat = stretch like a cat

Dog = wag tail

Bird = flap wings

Frog = jump

Dragon = roar

Great for a brain break!

Room on the Broom Pairs Game

Print out these two sheets of pairs and cut out the squares. Stick the squares on bits of card to make them last longer. Turn all the cards face down on a table and take it in turn to select two cards until you have collected all the pairs in the game! Whoever has the most pairs wins!

Always ask an adult to help you when using scissors.
